

# U.S. News & World Report Honors Hightower, Stratton, Novigrod, Costello, Uzzi & Kantor as a 2026 Best Companies to Work For: Law Firm

April 27, 2026

We're proud to share that our firm has been recognized by *U.S. News & World Report's* in its 2026 list of Best Companies to Work For among U.S. law firms.

This honor reflects the culture we've built together, one rooted in collaboration, professional growth, and a commitment to supporting our people at every level. We're grateful to our team for making this recognition possible and remain focused on continuing to raise the standard for what a great workplace in the legal industry can be.

*U.S. News & World Report's* evaluation process is data-driven and based on six key parameters that influence employee well-being and job satisfaction. Law firms for which U.S. News has sufficient data\* to do an evaluation were rated on each of the six factors. Firms with the highest composite scores for the six factors were included in the Best Companies to Work For: Law Firms 2026 ratings.

- Quality of Pay & Benefits
- Work-Life Balance & Flexibility
- Job & Company Stability
- Physical & Psychological Comfort
- Belongingness and esteem
- Career Opportunities & Professional Development

*\*Two organizations - Revelio Labs (a workforce data company) and SurePoint Technologies' Legal Insights (a database about law firms and lawyers) - provided the data for U.S. News's evaluation of law firms as employers. Those organizations obtained their data from such publicly available sources as company websites and employee disclosures on Glassdoor and LinkedIn.*
